The Task number counter represents how many “Current Tasks” exist for that shift

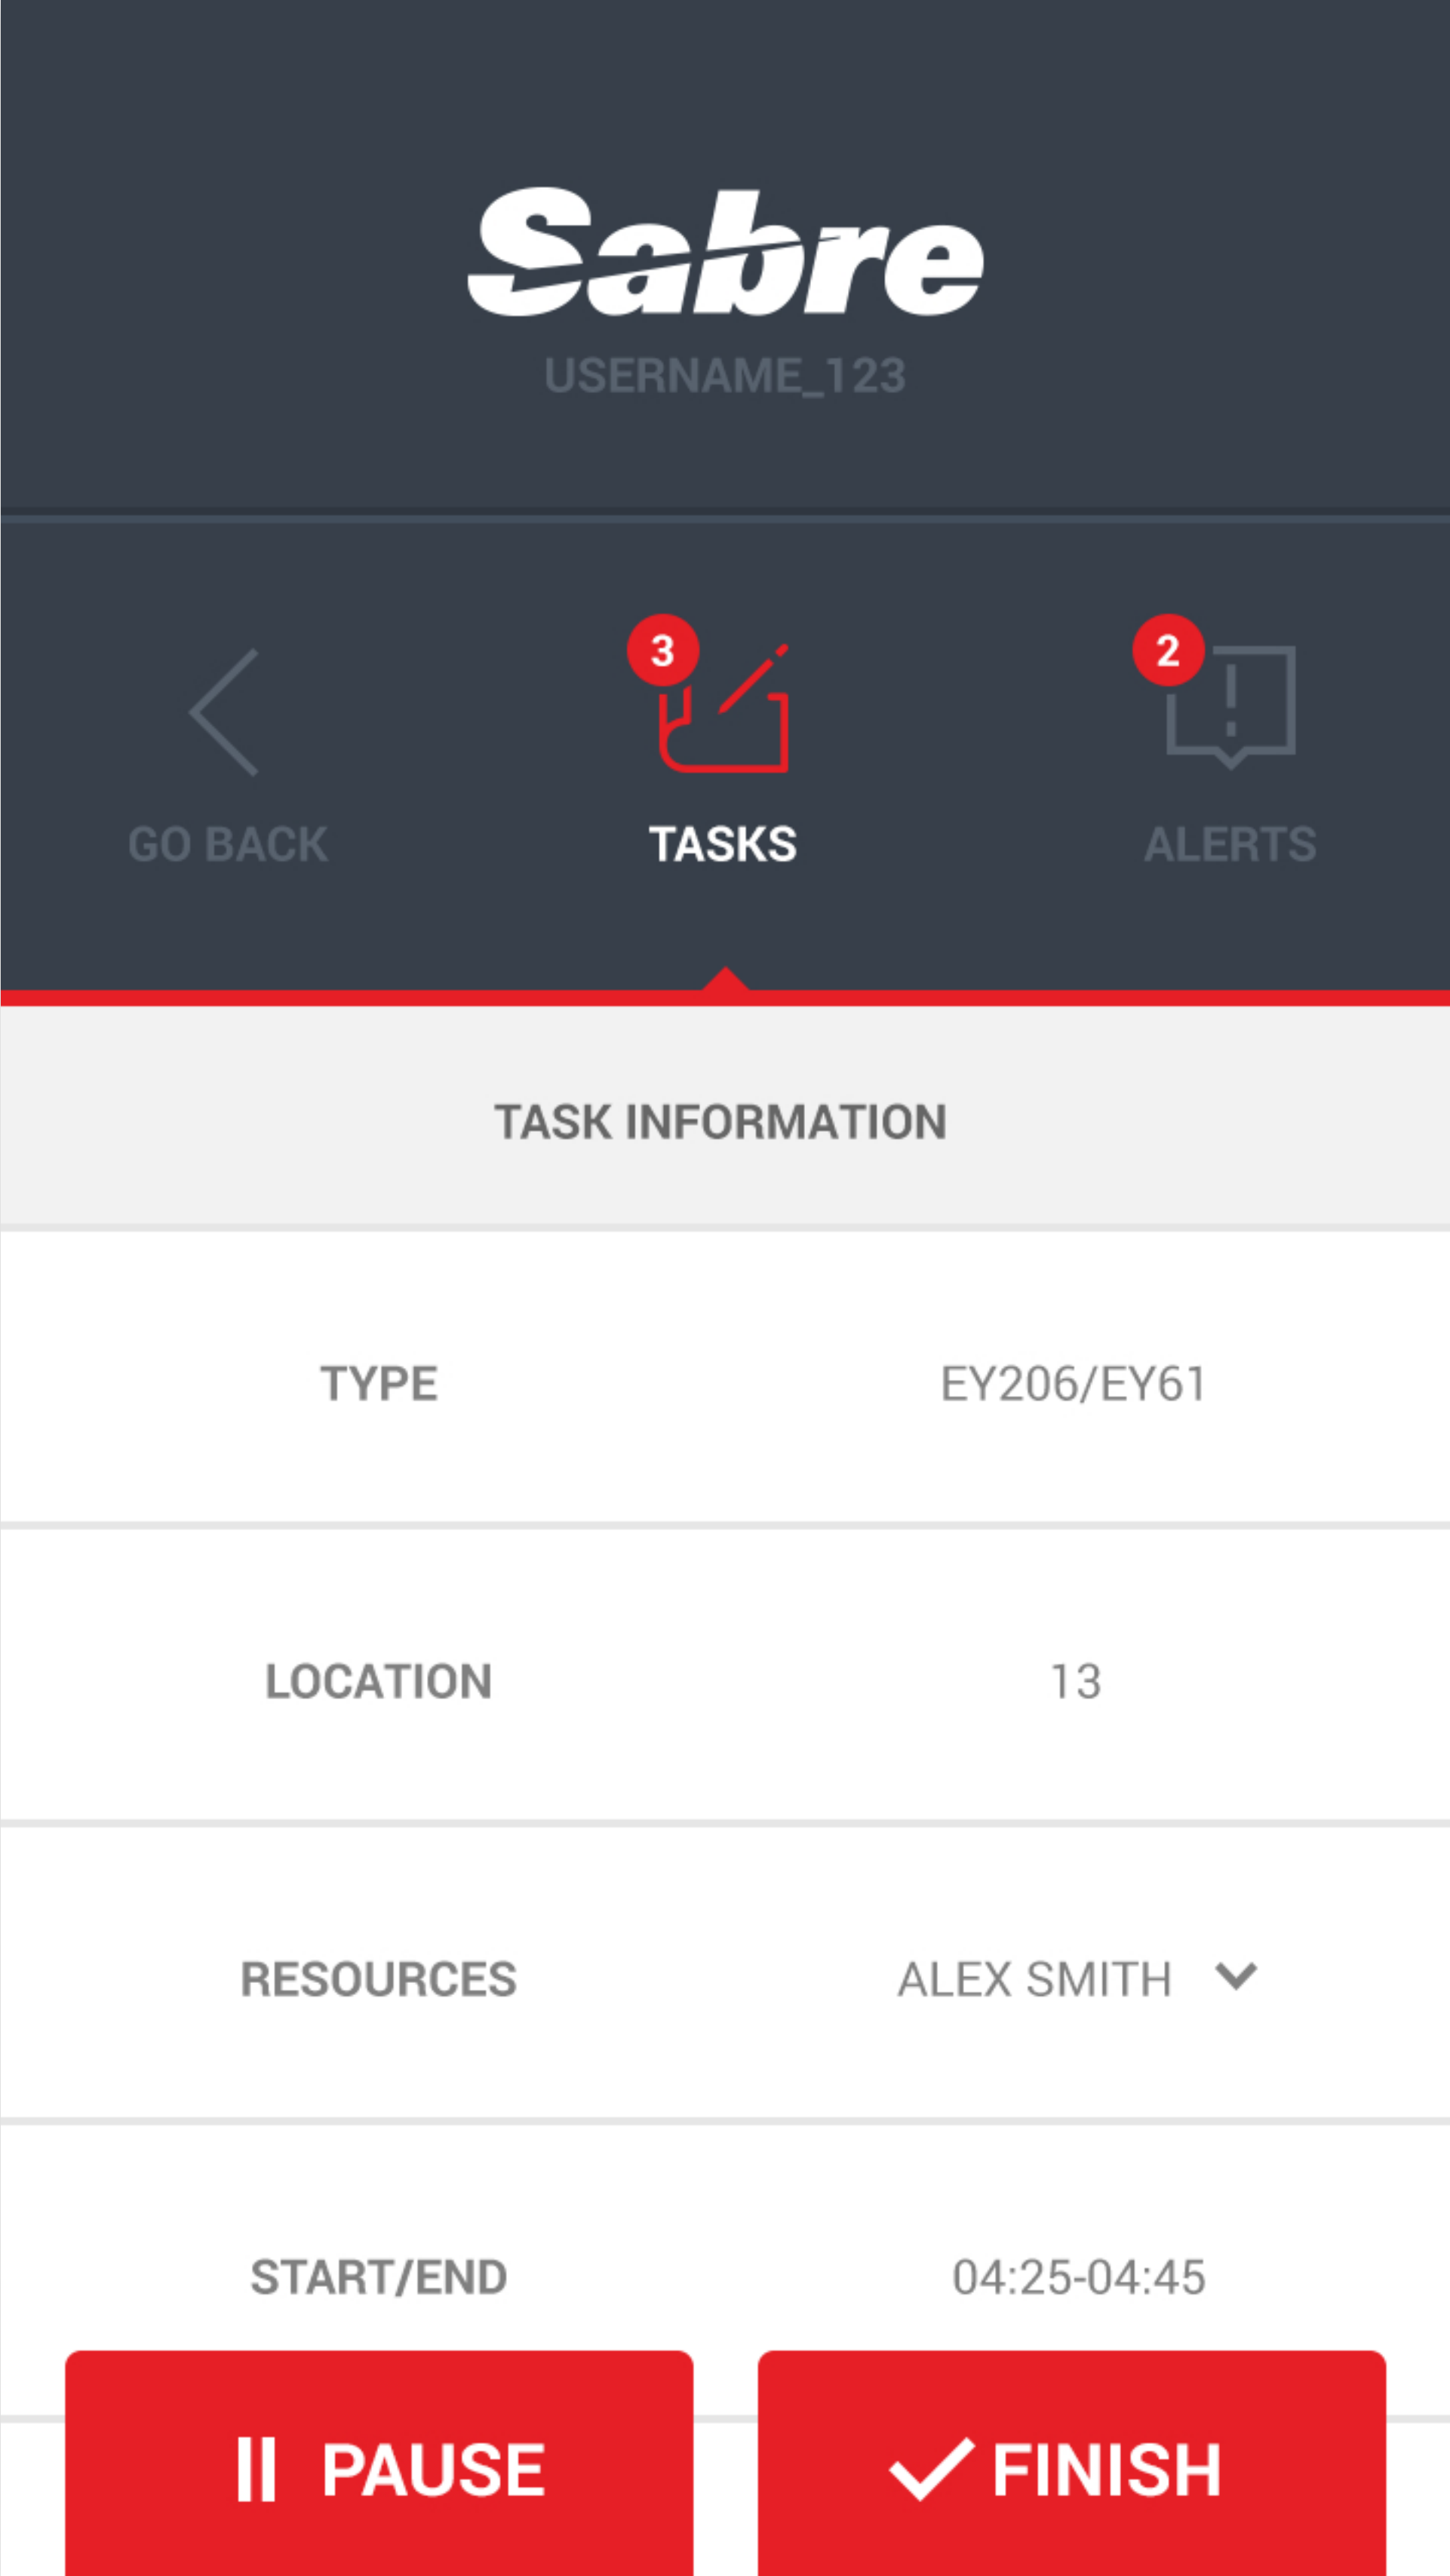

The Alert number counter represents how many “Acknowledged” messages exist

The “Logout” button turns into the “Go Back” button after you select an item

More details about this task are listed below. Users can scroll down to find more information.

The “Start” button will initiate the task

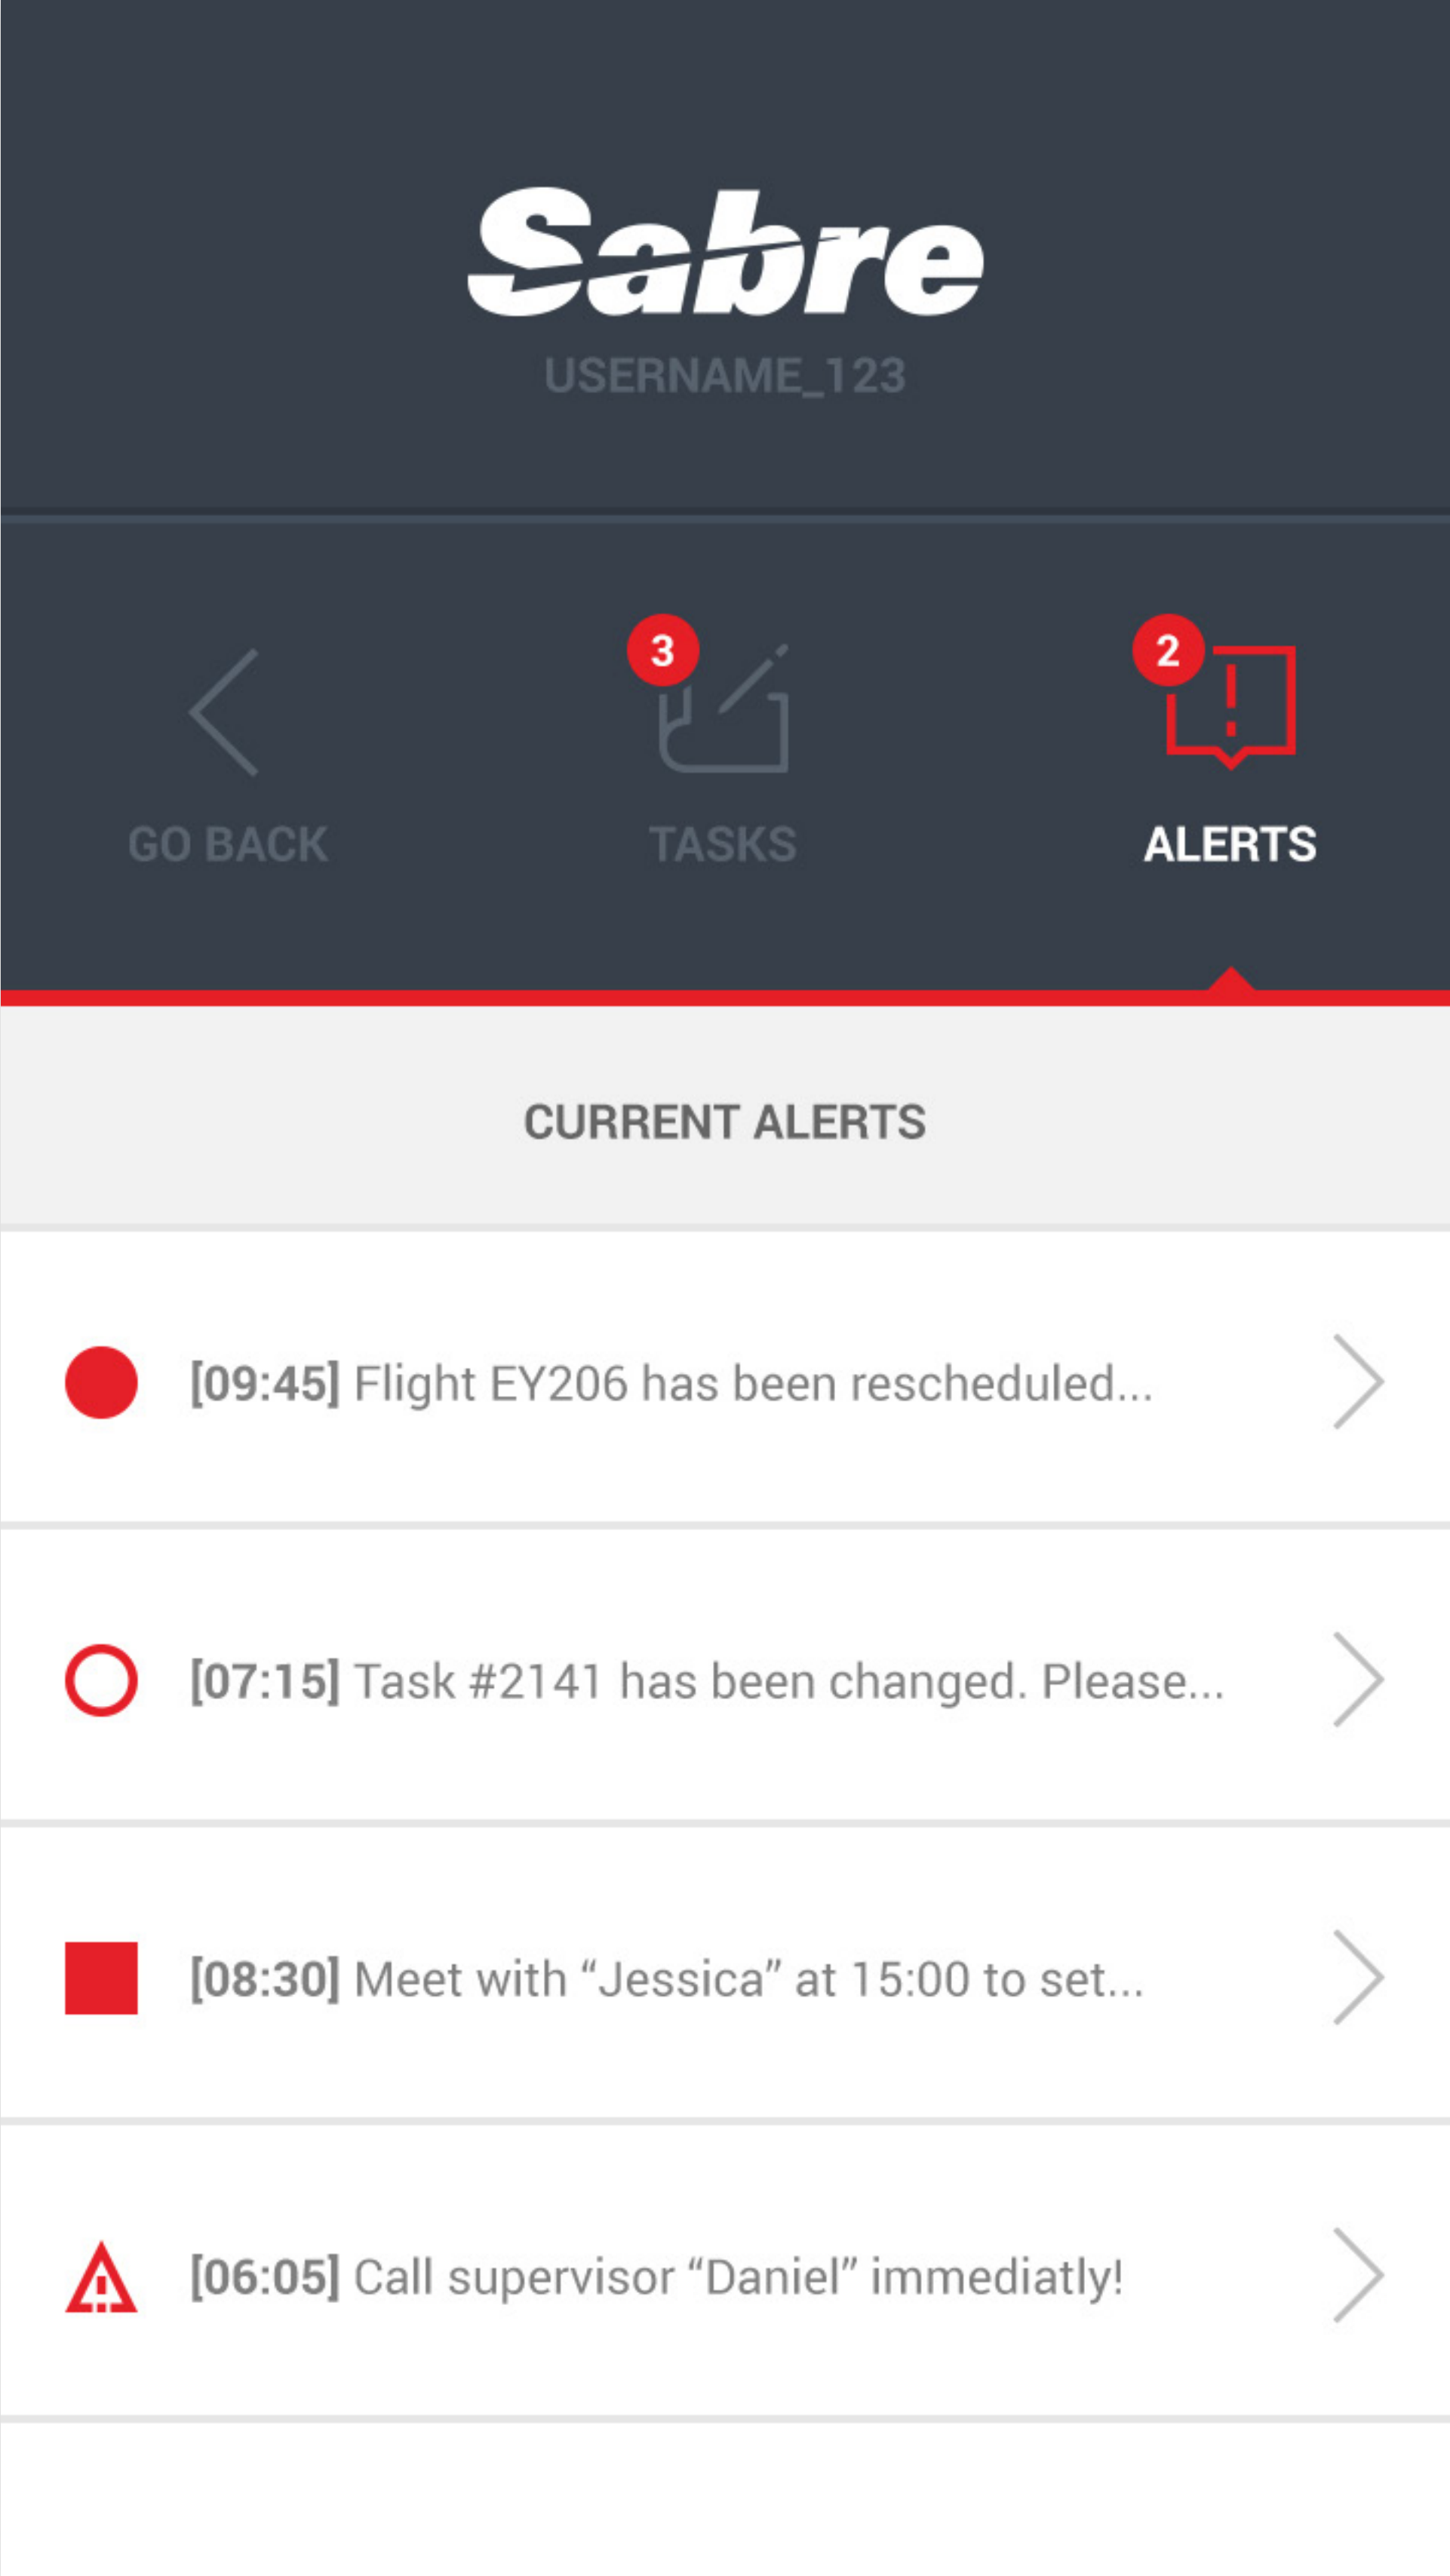

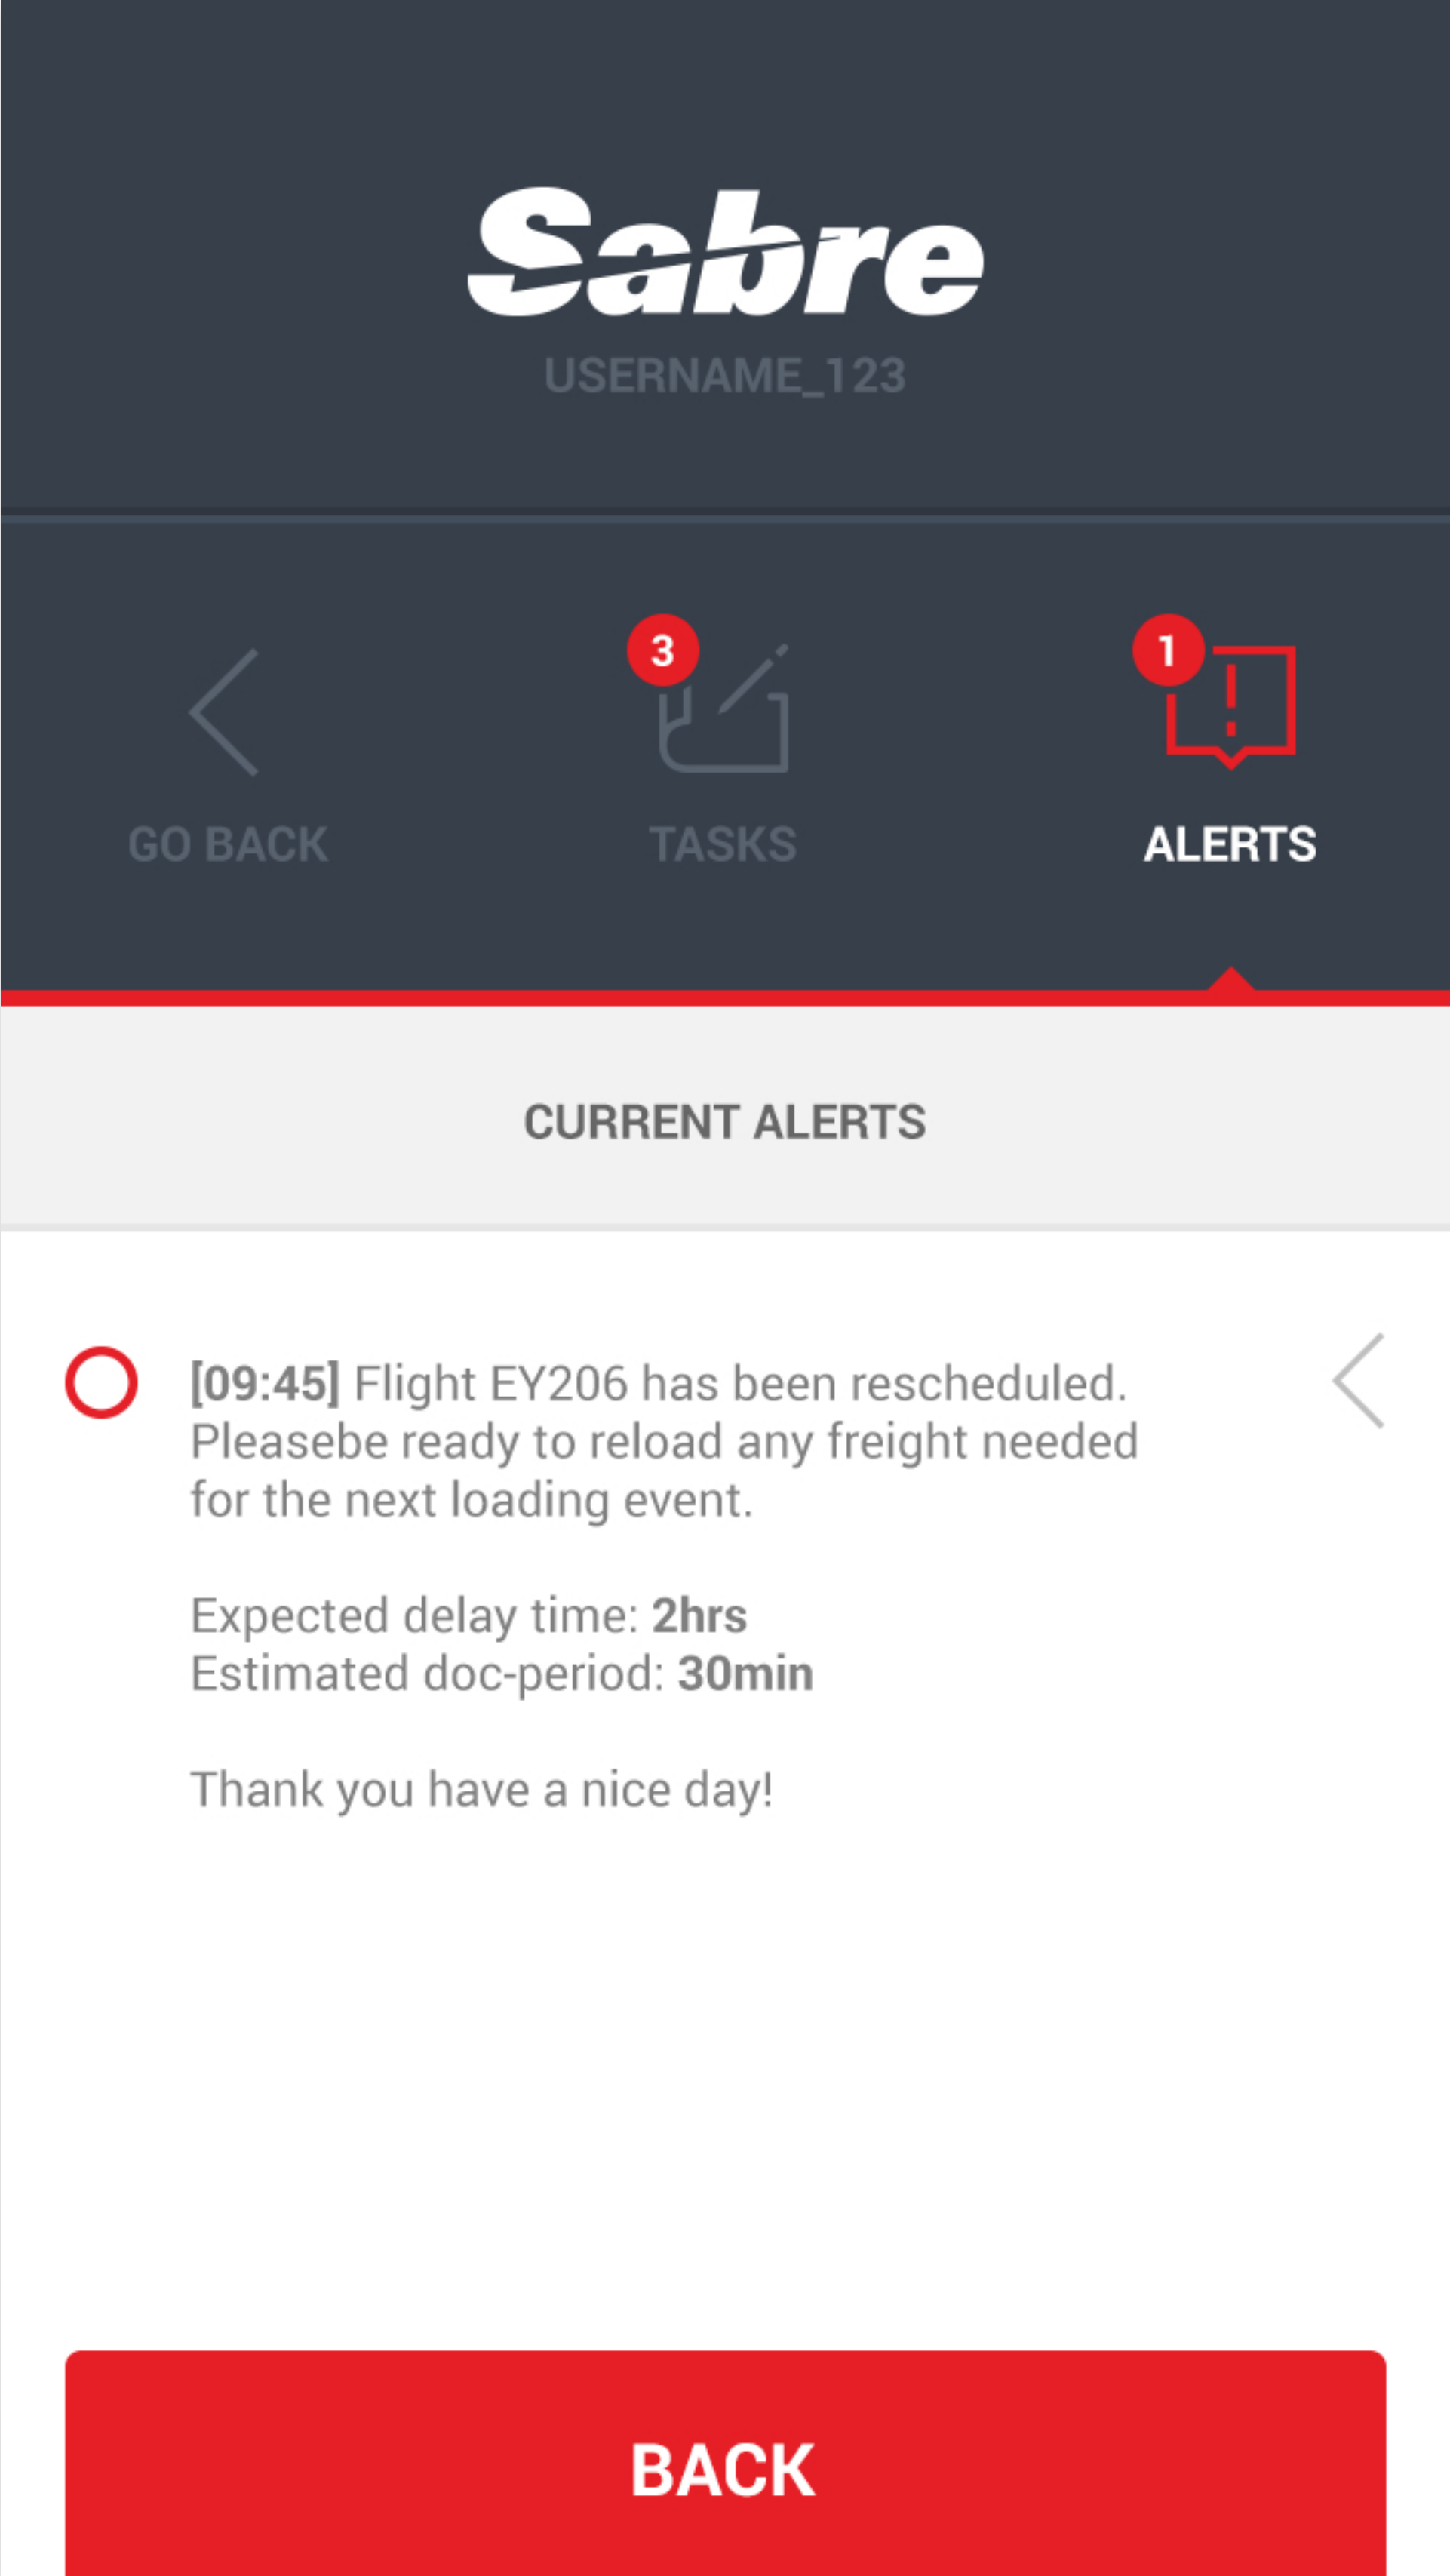

Alert state: "Unread" **Task Change Alert**

Alert state: "Acknowledged" **Task Change Alert**

Alert state: "Unread" **Important Alert**

Alert state: "Acknowledged" **Critical Alert**

There are three ways to read more alerts:

- 1) Select the 'Go Back' button
- 2) Select the 'back arrow' on the right of the text
- 3) Select the large, red 'Back' button
